

SBS Summer Program „International Finance“ 8th - 19th July 2013

Advance Your Career during Your Vacation

The Summer Program in International Finance has been developed by SBS Swiss Business School for **undergraduate or recently graduated business students**. The program offers the perfect combination of enhancing your business education and enjoying the city of Zurich, among the world's largest financial centers.

During two weeks, international students have the chance to attend intensive business courses with a focus on **International Finance**, interact with top managers during company visits, live a truly international experience.

Participants Will Be Sure to Experience a Challenging and Fulfilling Summer in Zurich

The intercultural skills acquired during the seminar, as well as the international outlook provided by the courses, will provide a competitive added value for participants in their studies and in their further careers. After the successful completion of the courses, participants will be issued a certificate of completion.

The Summer Program is worth 3 ECTS credits.

SBS Swiss Business School is an institution accredited by **IACBE** (USA) and certified by **eduQua** (CH).
