MSc
Master of Science in International Business
Dean’s Message

Business has changed radically. We exist in a business borderless environment, in which technological innovation occurs at breakneck speed. A world of incredibly smart and socially collaborative customers, of enhanced security concerns, increasingly complex government regulations, and economic uncertainty.

We understand that as a leader, or future leader in a complex world, you want to engage your employees, delight your customers, restore and sustain the environment, and lead with integrity. It will not take two generations. We can and will re-invent the world in this generation! Now is the best time for you to prepare, re-tool, and aggressively launch forward.

The SBS MSc in International Business will equip you for tomorrow’s business opportunities while keeping you grounded in today’s business reality.

Our program is IACBE accredited; cutting-edge and well-respected in the Zurich region and across the globe. Our curriculum is designed to develop leaders for the current, and emerging business environment. Faculty conduct dynamic and interactive classes that are responsive to current business situations. Employers know that our MSc graduates have a knowledge base and set of skills that will be an asset in this highly competitive global economy. Our students know that now is the time to take command of their careers.

*contingent on meeting academic requirements
The SBS Swiss Business School’s MSc in International Business is divided into 2 parts: In the first year, students will complete the academic courses and studies over 4 terms of 11 weeks each (see below). This period concludes with the submission and defense of a thesis in front of a panel jury. Students are encouraged to choose a business-related subject linked to their prospective career.

The second year of the program is for Professional Experience in the form of an internship, guaranteed by SBS Swiss Business School (contingent on meeting pre-requisites), or employment in the workplace, either in Switzerland, or abroad. The expected period of professional experience may be from 9 to 12 months. During this time, as a student, you will have the opportunity to apply in the workplace, lessons learned in the classroom. This period culminates in a report, outlining your experiences and detailing the lessons learned during this time. Students who successfully complete the academic and professional experience requirements will be awarded the degree of Master of Science in International Business from the SBS Swiss Business School.
