Research Methods and Data Science (online)

This online course is offered twice a year (in parallel with the on-campus courses).
The next intakes will take place from September 29th to November 14th, 2025, and
from February 23rd to April 10th, 2026. Students can choose one of these 2 intakes.

Thesis defenses take place twice a year (January and September). Students defend their thesis on the closest date after the completion of their last course.

* New students can start the MBA program on the following months each year: May, August, Nov. or February.
